LETTERTO:
Assistant Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

When Applicant was preparing to file Amendment E on September 3, 2008, applicant's attorney first intended to file via facsimile.

However, upon reviewing the executed Supplemental Declaration which was faint and not easy to read, he decided to file via mail with a Certificate of Mailing.

He started to correct the Certificate of filing but was interrupted while doing so and did not complete the change of the Certificate of Facsimile Filing to a Certificate of Mailing.

CERTIFICATE OF FACSIMILE FILING

I, Thomas R. Vigil, certify that this Letter and attachments 4 pages, was sent by Facsimile to the USPTO central Fax No. 1-571-273-8300 on September 24, 2008.

Recently while reviewing the papers filed he noticed the error.
It is believed to be clear from the Certificate of Filing that applicant's attorney was sending same by U.S. mail since he referred to sending it:

"to the USPTO at the address indicated above on September 3, 2008".

Attached is a marked up copy of the Certificate of Filing, showing the further revisions applicant's attorney intended to make and inadvertently did not include such further revisions in his revision of the Certificate of filing for a Certificate of Mail Filing. A clean copy is also attached.

Accordingly, applicant requests that the attached Amended Certificate of Mail Filing be substituted for the Certificate mailed.

Respectfully submitted,

Thomas R. Vigil
